Bringing New Horizons to Therapy

Dear EDAP Shareholders,

June 3, 2021

The successful commercialization of any novel technology must be supported by prudent and timely investments. In April 2021, we had the opportunity to raise substantial capital that will enable us to fully support our ongoing U.S. Focal One commercialization and market access efforts.

With HIFU gaining broader acceptance as an effective and less invasive paradigm for the management of prostate cancer relative to surgical options, we will attempt to establish ourselves as the leader. Of course, launching a new medical technology in the U.S. healthcare market brings several challenges, not least of which is navigating a complex reimbursement, third-party payor landscape. Securing attractive reimbursement levels and achieving the broadest possible patient coverage for Focal One remain top priorities for EDAP.

In addition to investing further in market access and reimbursement, these additional funds will allow us to attract top-tier talents with vast expertise in driving adoption of innovative technologies such as Focal One HIFU.

In this context, we are pleased to convene our shareholders in a General Meeting on June 30, 2021 and would like to take this opportunity to request your support for the attached resolutions, as detailed in the enclosed Board report. You will be requested to vote for resolutions submitted to the **Ordinary General Meeting** of Shareholders and to the **Extraordinary General Meeting** of Shareholders.

Resolutions submitted to the **Ordinary General Meeting** include:

- **Resolutions 1 to 4** with the approval of the Company's 2020 fiscal year accounts and related corporate activity, we invite you to read the Company's Form 20-F Report relating to the 2020 fiscal year available on the Company's website www.edap-tms.com, Investor Relations section.

Resolutions submitted to the **Extraordinary General Meeting** include:

- **Resolutions 5 to 12** which would provide the Company with the necessary legal frame to address potential strategic moves and strengthen its long-term growth, in accordance with French and international standards;

- **Resolution 13 to 16** which would allow the Board to create an incentive stock option program for some selected high performance employees of EDAP in light with the U.S. and international expansion plan.

As always, the use of these delegations, if at all, will be done in light of the ultimate interest of the Company and its Shareholders.

We would like to thank our shareholders and investors for your continued support, commitment and confidence you have demonstrated in EDAP's long-term success.

Sincerely,

/s/ Marc Oczachowski
Chairman of the Board &
Chief Executive Officer

A. DECISIONS RELATING TO THE ORDINARY GENERAL SHAREHOLDERS' MEETING

MANAGEMENT REPORT ON THE COMPANY'S ACTIVITY FOR THE FISCAL YEAR ENDED DECEMBER 31, 2020:

We invite you to read the Board of Directors' management report available pursuant to French laws and regulations and the Company's 2020 Annual Report on the 2020 consolidated accounts which is available on the Company's website www.edap-tms.com, in the "Investor Relations" section.

With respect to the Company's activities since the beginning of the current fiscal year, we also invite you to read the Board of Directors' management report which also provides information relating to significant events that occurred since the beginning of the current financial year (**resolutions 1 to 4**).

EDAP TMS SA - Report of the Board of Directors to the Ordinary and Extraordinary general meeting of June 30, 2021

B. DECISIONS RELATING TO THE EXTRAORDINARY SHAREHOLDERS' MEETING

Prior to examining the various resolutions submitted to your approval, please find below a summary of the reasons that have led us to call the extraordinary shareholders' meeting.

In accordance with French and international standards and in the interest of the Company, in the view of its development, it seems appropriate to us to suggest financial delegations to your Board of Directors to implement share capital increases, immediately or in the future, with or without preferential subscription rights (***resolutions 5 to 10***), and to increase the number of shares or securities to be issued in the event of an oversubscription in the framework of capital increases of the Company (***resolution 12***) in order to meet any fundraising opportunities that may be necessary to finance the Company's development.

In order to motivate and reward the efforts of the teams working to ensure a successful development of our worldwide activities and particularly in the United States, we propose that you grant the Board of Directors the necessary delegations of authority and authorizations to grant options to subscribe and grant existing and/or newly issued free shares of the Company (***resolutions 13 to 14***).

These new delegations would terminate the delegations with the same purpose granted by the general shareholders' meeting held on June 28, 2019 and June 30, 2020.

Finally, as part of the Company's employee profit-sharing policies, we submit to your Board of Directors a delegation of authority to carry out a capital increase for the benefit of employees who are members of a company savings plan (***resolution 16***). This Resolution is required under Article L.225-129-6 of the French Commercial Code. However, your Board of Directors reminds you that, given the Company's structure, this proposal is not consistent with the Company's profit sharing policies and therefore the Board of Directors recommends **not** approving this Resolution.

The maximum aggregate nominal amount of share capital increases that may be carried out pursuant to the delegations we propose you to grant to your Board of Directors would be:

- 1,300,000 euros, i.e., a maximum number of shares of 10,000,000 with a nominal value of 0.13 euro each (***resolution 11***) in order to give the Company all the flexibility it needs to finance its development plan (***financial delegations of resolutions 5 to 10 and 12***),
- 286,000 euros, i.e. a maximum number of shares of 2,200,000 shares with a par value of 0.13 euro (***resolution 15***), in order to grant options to subscribe shares and to grant existing and/or newly issued free shares of the Company (***resolutions 13 and 14***).

To these amounts must be added, if need be, the additional amount of the shares or securities to be further issued to preserve, as provided by law and by any applicable contractual provision providing for other cases of adjustments, the rights of the holders of securities giving access to share capital or other rights giving access to share capital.

The delegations submitted for your approval will allow the Board of Directors, in accordance with the law and the articles of association, to have full powers to implement these delegations for the purpose, without this list being exhaustive, of setting the dates, amounts, conditions and terms of any issuance as well as the form and characteristics of the shares or securities giving access to the capital or securities to be issued, with or without premium.

EDAP TMS SA - Report of the Board of Directors to the Ordinary and Extraordinary general meeting of June 30, 2021

In the event that the Board of Directors uses the delegations of authority granted to it pursuant to these resolutions, it shall report to the next ordinary shareholders' meeting on the use made by it of such delegations, in accordance with applicable laws and regulations.

For each of the delegations submitted to your approval, the reports established by the Company's statutory auditor will be read to you.

We propose to hereinafter review each of the resolutions submitted to your approval in the extraordinary shareholders' meeting:

B-1. FINANCIAL DELEGATIONS TO BE GRANTED TO THE BOARD OF DIRECTORS

For the purposes hereof, the Board of Directors asks you to approve the resolutions mentioned below, using the legal mechanism of delegation of authority, and to delegate your authority to it in order to:

- increase the share capital, by issuance of shares or other securities giving access to the Company's share capital, with cancellation of shareholders' preferential subscription rights as part of an offer in favor of qualified investors (*investisseurs qualifiés*) or a limited circle of investors (*cercle restreint d'investisseurs*) as mentioned in paragraph 1° of article L. 411-2 of the French Monetary and Financial Code, being specified that the issue price will be at least equal to the average of the prices weighted by the volumes of the last 3 trading days on the NASDAQ market, preceding the setting of the issue price, possibly reduced by a maximum discount of 20%, taking into account if applicable, the date from which they begin to bear dividend rights and specifying that the issue price of securities giving access to the share capital issued by virtue of this resolution shall be such that the sum received immediately by the Company, plus the sum that may be received by it on the exercise or conversion of these securities is, for each share issued as a consequence of the issuance of these securities, at least equal to the issue price defined above (**resolution 7**).
- increase the share capital by issuance of shares or any securities giving access to the share capital, with cancellation of the shareholders' preferential subscription rights in favor of a first category of persons who meet certain specified characteristics (as described below in A. and B.), being specified that the issue price will be at least equal to the average of the prices weighted by the volumes of the last 3 trading days on the NASDAQ market, preceding the setting of the issue price, possibly reduced by a maximum discount of 30% (**resolution 8**).

Pursuant to this **resolution 8**, you are asked to reserve subscription of such shares to the new or existing investors who meet all of the criteria specified in A. or B. below, for a minimum individual subscription amount of 250,000 euros (issuance premium included):

- A.
- (i) institutional investors or individuals being, as the case may be, qualified institutional buyers or institutional accredited investors under U.S. law or qualified investors (*investisseurs qualifiés*) under French law (e.g., investment funds, investment companies, pension funds, banks and other financial institutions, insurance companies, etc.); and
 - (ii) specialized or skilled in the health care or biotechnologies sectors or specialized in investing in companies with high growth potential; or
- B. any placement agent or underwriter in connection with the offering or the placement of shares or securities giving access to the Company's share capital to investors meeting the criteria set forth in A. above as part of such agents' or underwriters' compensation for their services; or
- C. any credit establishment, any financial services intermediary or member of a syndicate, French or foreign, to facilitate the settlement of the shares as part of a capital increase in the future.
- increase the share capital by issuance of shares or any securities giving access to the share capital, **with cancellation of the shareholders' preferential subscription rights** in favor of the **second category** of persons, i.e.: (i) practitioners who have used the Company's technologies who meet certain specified characteristics, or (ii) commercial partners, or (iii) patients who have benefited from treatments using technologies developed by the Company, with a maximum of 150 subscribers, with a minimum individual subscription amount of 10,000 euros, being specified that the issue price will be at least equal to the average of the prices weighted by the volumes of the last 3 trading days on the NASDAQ market, preceding the setting of the issue price, possibly reduced by a maximum discount of 30% (**resolution 9**).
 - increase the share capital, by issuance of shares or other securities giving access to the Company's share capital, with cancellation of shareholders' preferential subscription rights, in favor of the following category : (i) directors and officers of the Company held at the office the date of issue of the shares or the securities, or (ii) individuals tied to the Company by an employment contract the date of the issue of the shares or the securities, being specified that issue price shall be set by the Board of Directors, by reference to :
 - the price of the last transaction on the Company's share capital carried out during the previous 6 months with an overpricing or discount of plus or minus 10 % compared to this price, or
 - in the absence of any transaction on the share capital during the previous 6 months, at the average of the prices weighted by the volumes of the last 3 trading days on the NASDAQ market, preceding the fixing of the issue price, possibly reduced by a 30% discount.
- In any event, the price determined by the Board of Directors may represent a discount compared to the price of the American Depositary Shares of the Company listed on the NASDAQ stock market (**resolution 10**)

Resolution 11 sets the maximum aggregate nominal amount of the share capital increases that may be carried out and the debt securities that may be issued pursuant to the financial delegations submitted to your vote at 1,300,000 euros, i.e., a maximum of 10,000,000 shares to be issued with a nominal value of 0.13 euro each.

The Board of Directors asks you to approve the **resolution 12** using the legal mechanism of delegation of authority, and to delegate your authority to it in order to increase the number of shares or securities to be issued in the event of an oversubscription in (or similar arrangement in connection with) the framework of capital increases of the Company, with or without preferential subscription rights, decided under the paragraphs above, pursuant to the conditions set forth in article L. 225-135-1 and R. 225-118 of the French Commercial Code, i.e., to date, within thirty days of the close of the subscription, at the same price as the one set for the initial issue and up to 15% of the initial issue, the said shares granting the same rights as the former shares, subject to the date where they begin to bear dividend rights. The nominal amount of any increases in share capital decided pursuant to this delegation shall be offset against the overall ceiling set forth above, to which amount will if necessary be added, the additional amount of shares or securities which may be issued as a supplement, to protect, in accordance with the law and, where applicable, with the contractual provisions that apply, the rights of holders of securities giving access to the capital and other rights in the capital.

B-2 DELEGATIONS TO BE GRANTED AS PER THE COMPANY'S SALARY MOTIVATION POLICY FOR EMPLOYEES AND MANAGEMENT

The Board of Directors proposes to hereinafter review each of the resolutions submitted to your approval in the extraordinary shareholders' meeting and to:

1. Authorize the Board of Directors to grant options to subscribe to a maximum of 2,000,000 new shares with a nominal value of 0.13 euro each (resolution 13). The exercise price of each option for the subscription of shares shall be set by the Board of Directors on the day of grant of such options,
 - (i) For the options that will be granted to non U.S. tax residents, the exercise price would be set by reference to the closing price of the American Depositary Shares of the Company listed on the NASDAQ the day preceding the Board of Directors' decision to grant the options and may not be lower than 95% of the average trading price of the American Depositary Shares of the Company listed on the NASDAQ stock market calculated on the basis of the last twenty (20) trading sessions preceding the date of the decision of the Board of Directors to grant such options, being specified that the capital increases that would be carried out upon exercise of these options would be deducted from the overall limit set out in the resolution 15.
 - (ii) For the options granted to U.S. tax residents, to be qualified as Incentive Stock Options "ISOs", they will need to meet certain criteria in the resolution submitted to your vote, and in particular:
 - All employees are eligible for grants under this option plan. The beneficiaries of the plan will be determined by the Board of Directors, subject to the approval of this resolution by the shareholders;
 - The exercise price of the ISOs may not be less than 100% of the market value of the shares on the date of grant, i.e., the price of the American Depositary Shares of the Company listed on the NASDAQ stock market at the end of the trading day just prior to the decision of the Board of Directors to grant the options;
 - The options to subscribe shares are exercisable for up to ten years from the date of grant, which term is decreased to 5 years if the employee, on the date of grant, holds more than 10% of the share capital of the Company.
2. Authorize the Board of Directors to carry out, on one or more occasions, the allocation of a maximum of 200,000 free ordinary shares, existing and/or to be issued in the future by the Company, with a unit par value of 0.13 euro, to members of the Company's salaried staff or to certain categories of them, and/or to its executive officers who satisfy the conditions set forth in article L. 225-197-1, II of the French Commercial Code, as well as to the members of salaried staff of companies or economic interest groups in which the Company holds, either directly or indirectly, at least 10% of the share capital or voting rights in, on the date the said shares are allocated (resolution 14). The capital increases that would be carried out upon exercise of these options would be deducted from the overall limit set out in the resolution 15.

The grant of shares to their beneficiaries will be final and binding, subject to satisfying the conditions and criteria which may be fixed by the Board of Directors after a period of at least one year (the "Vesting Period") and that the beneficiaries of these shares must hold them, if applicable, for a period fixed by the board (the "Lock-in Period") which, combined with the Vesting Period, cannot be inferior to two (2) years. The Vesting Period and of the Lock-in Period will be fixed by the Board of Directors within the aforementioned limits.

In accordance with the provisions of article L. 225-197-1 of the French commercial code, when the allocation concerns shares to be issued in the future, this authorization automatically entails the waiver by the shareholders of their preferential subscription rights to the newly issued shares in favor of the beneficiaries of the free shares.

3. Delegate to the Board of Directors all necessary powers to increase the share capital, it being specified that the maximum nominal value of the capital increases that may be carried out pursuant to delegations given by the resolutions 13 and 14 is set at 286,000 euros, representing a maximum of 2,200,000 new shares of the Company each with a par value of 0.13 euro (**resolution 15**).
4. Give to the Board of Directors all necessary powers to increase the share capital by a maximum nominal amount of 50,000 euros (fifty thousand), through the issuance of shares or other securities giving access to the Company's share capital, with cancellation of shareholders' preferential subscription rights, for members of the Company's employee savings plan (**resolution 16**). This resolution is required under Article L.225-129-6 of the French Commercial Code.

This resolution, which is required to be proposed to the shareholders under French law, is not consistent with the Company's profit sharing policies and therefore the **Board of Directors recommends NOT approving resolution 16**.

We ask you, after reading the reports presented by the Company's statutory auditor, to adopt the resolutions submitted by the Board of Directors, with the exception of resolution 16.

In this context, we ask you to vote on the aforementioned resolutions submitted to you by your Board of Directors.

The Board of Directors

We draw your attention to the fact that this report, and the draft resolutions referred to therein, which will be submitted for your approval, do not constitute an offer to purchase or a solicitation to purchase shares or any other securities of the Company.
