**REPORT OF THE BOARD OF DIRECTORS TO THE EXTRAORDINARY
SHAREHOLDERS MEETING OF DECEMBER 19, 2012**

Shareholders are invited to attend the Extraordinary General Shareholders' Meeting of EDAP-TMS S.A. (the "Company") to deliberate on the following agenda:

- 1- Authorization to be granted to the Board of Directors to grant options to subscribe for shares of the Company pursuant to the provisions of articles L. 225-177 et seq of the French commercial code.
- 2- Determination of the total maximum amount applicable to the delegations of authority granted to the Board of Directors to increase the share capital.
- 3- Delegation of authority to allow the Board of Directors to increase the share capital by issuance of shares or other securities giving access to the Company's share capital, with cancellation of shareholders' preemptive rights in favor of participants in the Company's employee savings plan.

Prior to examining the various proposals submitted to your approval, please find below a summary of the reasons that have led us to call the extraordinary general meeting.

As you know, EDAP has now completed the prostate cancer patient follow-up phase of its ENLIGHT trial and is working actively on building up the FDA PMA file in view of FDA approval of Ablatherm-HIFU device. We therefore wish to motivate and reward EDAP's teams who are entirely dedicated to successfully perform in our U.S achievements and hereby ask your approval to delegate to the Board the necessary authorizations to allocate shares subscription options.

The maximum aggregate nominal amount of share capital increases that may be carried out pursuant to the delegations we propose you to grant to your Board of Directors would be set at €65,000, i.e., a maximum number of shares of 500,000 with a nominal value of €0.13 each. This amount would be an aggregate maximum which would apply to resolutions 1 and 3. To this amount must be added, if need be, the par value of the shares or securities to be further issued to preserve the rights of the holders of securities giving access to share capital or other rights giving access to share capital.

In the event that the Board of Directors uses the delegations of authority granted pursuant to these resolutions, it shall inform the shareholders at the next shareholders' general meeting on the use made by it of such delegations, in accordance with applicable laws and regulations.

For each of the proposed delegations submitted to your approval, the reports established by the Company's statutory auditor will be read to you.

The Board of Directors proposes to hereinafter review each of the resolutions submitted to your approval in the Extraordinary Shareholders' Meeting and to:

1. Authorize the Board of Directors to grant options to subscribe to a maximum of 500,000 new shares (**First Resolution**). The exercise price of each option for the subscription of shares shall be set by the Board of Directors on the day of grant of the options, which exercise price shall be based on the closing price the day preceding the grant ;
 - (i) For the options that will be granted to non U.S. tax residents, the exercise price may not be lower than 95% of the average trading price of the American Depositary Shares of the Company listed on the NASDAQ stock market calculated on the basis of the last twenty (20) trading sessions before the grant of the said options;
 - (ii) For the options granted to U.S. tax residents, to be qualified as Incentive Stock Options “ISOs”, they will need to meet certain criteria in the resolution submitted to your vote, and in particular:
 - All employees are eligible for grants under this option plan. The beneficiaries of the plan will be determined by the Board of Directors, subject to the approval of this resolution by the shareholders;
 - The exercise price of the ISOs may not be less than the fair market value of the shares on the date of grant, i.e., the price of the American Depositary Shares of the Company listed on the NASDAQ stock market at the end of the trading day just prior to the decision of the Board of Directors to grant the options;
 - The options to subscribe shares are exercisable for up to ten years from the date of grant, which term is decreased to five years if the employee, on the date of grant, holds more than 10% of the share capital of the Company.
2. Delegate to the Board of Directors all necessary powers to increase the share capital, it being specified that the maximum nominal value of the capital increases that may be carried out pursuant to delegations given by the first and third resolutions is set at €65,000 (sixty five thousand), **representing a maximum of 500,000 new shares** of the Company each with a par value of €0.13 (**Second Resolution**).
3. Give to the Board of Directors all necessary powers to increase the share capital by a maximum nominal amount of €6,500 (six thousand five hundred), through the issuance of shares or other securities giving access to the Company’s share capital, without preemptive rights, for members of the Company’s employee savings plan (**Third Resolution**).

This Resolution is required under Article L.225-129-6 of the French Commercial Code (*Code de commerce*).

This resolution, which is required to be proposed to the shareholders under French law, is not consistent with the Company’s profit sharing policies and therefore the **Board of Directors recommends NOT approving the Third Resolution**.

We invite you, after hearing the reports of the Company’s statutory auditors, to adopt the resolutions submitted to your vote by the Board of Directors, with the exception of the Third Resolution.

The following additional terms will apply to grants of options to subscribe for shares designated as ISOs:

However, when an employee, at the date of grant, holds greater than 10% of the share capital of the Company, and to the extent that it is eligible for grants under the plan pursuant to applicable regulations, the options are exercisable for up to five years from the date of grant. The terms of 10 and five years, respectively, may not be exceeded, including in the case of early exercise in the event of death or disability of the beneficiary.

5. **Takes note** that, pursuant to article L. 225-178 of the French Commercial Code, the present authorization shall automatically give rise, in favor of the beneficiaries of stock options, to waiver by the shareholders of their preferential subscription rights to the shares issuable upon exercise of the option.
6. **Gives** to the Board of Directors all necessary powers to determine the terms of the option plan, the conditions under which the options to subscribe for shares will be granted and the conditions for their exercise, and in particular:

7. **Decides** that the Board of Directors shall have at its disposal all the necessary powers to take note of the share capital increases and fulfill the related formalities.
8. **Takes note** that the Board of Directors shall inform the shareholders every year at the Ordinary Shareholders Meeting of the transactions implemented pursuant to this authorization.
